## Pittsburgh

PITTSBURGH, Sept. 7.—Undoubtedly the local market was greatly affected by the operations in the Eastern exchange, and all the issues on the Fourth Avenue Board showed a strong tone, with the prevailing tendency toward a steady upward movement. A striking proof of this was given in the fact that out of the 23 issues dealt in there was only one, Westinghouse Air-brake, which registered a loss from the quotation of the previous day.

Of the balance nine closed unchanged. It was a regular day for new high records on the local board, and no less than five issues achieved a distinction in this respect.

## New York

NEW YORK, Sept. 7.—In its main aspects yesterday's market was a repetition of the excited and feverish session of the preceding day, although the trading was much broader and comprehended a variety of dormant issues. There were numerous indications of a renewal of public interest, commission houses with middle-west-

ern connection contributing in no small measure to the turnover of about 1,375,000 shares, a total exceeded only once before in this year.

A general selling movement in the last half hour, precipitated in part by Washington advices of an advance character, obliterated much of the advance, Marine preferred surrendering all its advantage, with 1 to 2 points recessions in other leaders.

## HEARING AT LAST.

There was a terrible dynamite explosion near a small town the other day. An old lady, hearing it, turned toward the door of her sitting-room and said:

"Come in, Bella."

When her servant entered the room, she said:

"Do you know, Bella, my hearing is evidently improving. I heard you knock at the door for the first time in 20 years."

## FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theodor's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theodor's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theodor's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.
